 - **Tools:** ASP.NET Core Web API, EF Core, Dapper, AutoMapper, FluentValidation, Ocelot, RabbitMQ, Redis, Polly, Docker, Azure API Management.
-

EXPERIENCE:

Cancer Council Victoria, Melbourne, AU – Digital Content Coordinator (Web Developer)
August 2024 – August 2026

- Role scope expanded from content coordination into hands-on development
- Support the maintenance of legacy .NET-based CMS, including HTML, CSS and template updates.
- Built campaign fundraising pages on Funraisin for Girls' Night In and Cancer Research Day.
- Managed and maintained the front-end of the CancerVic, SunSmart, Food for Health Alliance, Victorian Cancer Biobank, TIA and the staff Intranet - handling updates, fixes and content delivery.
- Took end to end ownership of the campaign delivery, from requirement through build, testing and deployment.

Dnata Catering, Melbourne, AU - International Consolidator
January 2022 – November 2023

- Oversaw the procurement and delivery of in-flight meals for Qantas international flights, ensuring adherence to quality and quantity standards dictated by flight requirements.

Ultra Scrap Metal, Melbourne, AU - Director
June 2017 -August 2020

- Founded and operated a successful scrap metal trading business specializing in various grades of stainless steel.
- Successfully sourced container loads from diverse scrap yards and supplied them to foundries and mills in India.

TNT Express NZ Ltd, Auckland, NZ - Account Manager
July 2015- Jan 2017

- Managed geographical territory generating \$4 million NZD in annual revenue.
- Expanded the customer base within the territory through effective sales strategies such as up selling, cross-selling, and new business acquisition.
